TIMBREN SES SUSPENSION ENHANCEMENT SYSTEMS

Image Description (Vienna)
- One flag
- Surfaces or backgrounds covered with repeated geometrical figures or designs
- Surfaces or backgrounds in check pattern
- Letters presenting a special form of writing
- Letters linked to a figurative element -- Note: Letters representing a human being or a part of the human body, an animal or a part of an animal's body, a plant, a heavenly body, a natural phenomenon or an object are classified in division 27.3.

Trademark Description
The word 'TIMBREN' is in block letters in upper case and each letter is slanted slightly to the right. All of the letters of the word 'TIMBREN' have the same capline. The letters 'SES' are in block letters in upper case and have the same capline. Each letter of 'SES' is outlined three times creating a slight three-dimensional effect. The letters 'SES' rest against each other. The capline of 'TIMBREN' is slightly lower than the capline of 'SES'. Slightly behind and above the letters 'SES' is a chequered starter's flag, the top edge of which undulates. The left edge of the starter's flag starts at the top of the first 'S' and rises above it with a slight slant to the right. The right edge of the flag emerges from the right downslope of the curve of the second 'S' and rises above it with a slight slant to the right. The overall effect is that the starter's flag appears to be billowing in the wind. Horizontally below and parallel with words 'TIMBREN' and the letters 'SES' are the words ' Suspension Enhancement Systems'. The first letter in each word is capitalized.

Disclaimer
The right to the exclusive use of the words 'Suspension', 'Enhancement' and 'Systems' is disclaimed apart from the trade-mark.
